CHRISTMAS OPEN HOUSE

CELEBRATING 5 YEARS OF SUCCESS WITH GOD'S HELP AND YOURS!

We give thanks to all those who have supported us in the pursuit of healing through touch. The last five years wouldn't be the same without you & neither would this celebration!

A NEW OFFICE!

Celebrate with us and see some of the recent renovations, including our beautifully renewed office, meant to enhance your experience at AMMA.

A NEW THERAPIST!

Celebrate the arrival of our friend and AMMA's newest therapist, Francois Minani. This highly requested therapist at Raliegh's "Massage Envy" is now serving the Tri-Cities through CranioSacral Therapy, Therapeutic Massage & Hot Stone Therapy.

A NEW EXHIBIT!

Celebrate our exceptional local high school artists as they display their best work in our first ever Cherokee Crossing Art Show. This is a great opportunity to do your Christmas shopping while supporting our students!
